

## **Houston Clutter Coaching Meetup**

March 2015

What's your biggest problem area in the struggle against clutter?  
(Your answer can refer to a physical space, a category of stuff,  
or an aspect of your life—whatever answers the question best  
for you.)

What would you *have*, *be*, or *do* differently if you didn't have  
a clutter problem?

When you're overwhelmed by clutter, what's one trick that helps  
you get started?
